

Apology for discriminatory ad in Gumtree.

We realise and understand that our ad posted on Gumtree on April 2014 “Thailander, Indonesian, Vietnamese, Filipino. SPR, Long Term plus, dependent pass welcome to apply” for the position of ‘Waitress, waiter, dishwasher and kitchen assistant’ . “ was discriminatory against Singaporeans. The ad has been removed after being brought to our attention. I have given a strict warning to my employee not to repeat this mistake again. We seek your kind understanding as we are new to this business. I assure you all that that this will not happen again.

The company affirms its commitment towards fair employment practices and supports the Tripartite Guidelines on Fair Employment Practices.

I truly apologise to all for this mistake.

Yours sincerely,
